

**Humanitarian project of the state institution
"Kobrin Territorial Center for Social Services"**

The goal of the project: improving the quality of life and overcoming isolation for people with disabilities and senior citizens

1. Name of the project: "Memory Banner"
2. Project implementation period: 2 years
3. Organization, which offers a project: Humanitarian project of the state institution "Kobrin Territorial Center for Social Services"
4. Aim of the project: the erection of a monument in the form of a banner with built-in two multimedia elements through which photographs of the heroes of the Great Patriotic War will be broadcast on the one hand and a brief description of their exploits on the other hand.
5. Tasks to be realized while the project implementation: <ul style="list-style-type: none">- to perpetuate the memory of a whole era in the life of the whole country, of the dead, of the price of the peaceful life of a modern person.- to create an opportunity for the younger generation of Kobrin region to get acquainted with the heroes of the Great Patriotic War and their exploits- patriotic education of the younger generation; - - organize study tours, as well as conduct information and educational activities for preschoolers / schoolchildren, students of other institutions of Kobrin;
6. Task group: <p>The implementation of the project involves the erection of a monument in the form of a banner with built-in two multimedia elements through which photographs of the heroes of the Great Patriotic War will be broadcast on the one hand and a brief description of their exploits on the other hand.</p> <p>Years pass, it is impossible to go back, generations are replaced by next generations, there are fewer and fewer eyewitnesses of the terrible events of those forties. Monuments are able to convey all the colors, the character of the hero, events and, of course, convey the most important historical aspects. The monuments of the Great Patriotic War are our memory, worship and respect to all those who defended our common homeland during the terrible years of the war, giving their lives for the victory.</p> <p>The erection of a monument in a place of a large concentration of young people, as well as the organization of study tours and holding information and educational events for preschoolers / schoolchildren, students of other institutions of the city of Kobrin, will educate the youth of Kobrin in the spirit of patriotism, form a sense of pride in their ancestors, love for the Motherland.</p>
