<p>Name of the social project</p>	<p>Vocal studio "With a song for life"</p>
<p>The relevance of the social project (justification of the importance and social significance implementation of this social project):</p>	<p>Young disabled people visiting the department love music, love to sing and dance. Some of them have good musical abilities that need to be further developed. Vocal lessons have a beneficial effect on the emotional state of the wards, help them to feel their individuality and significance in society, to show their abilities, to develop their potential. Singing lessons always bring joy to the wards of the department, but at the moment we lack the appropriate equipment. After all, a good rehearsal with the use of special equipment for vocal lessons will give confidence in performing on stage, as we sometimes participate in concerts. During the implementation of the project, young people with disabilities will be given the opportunity to have an active lifestyle and realize their creative potential with a positive emotional attitude.</p>
